MEMORANDUM FOR: (See distribution)

FROM: John J. Bird
National Intelligence Officer for WarningSUBJECT: Meeting on Strategic Warning and the Defense Guidance
Illustrative Planning Scenario

1. Please reference my memorandum of 28 August 1987, same subject, which discusses a proposed new Defense Guidance Illustrative Planning Scenario and requests your comments.

2. A meeting is scheduled for 24 September at 1000 at CIA Headquarters, Room 2E49, to ensure we are proposing comments with which the Intelligence Community is in general agreement. This step is in lieu of the more expensive and time-consuming process to produce the same results in Interagency Intelligence Memorandum format.

3. Please plan to attend what is intended to be the final meeting on this subject. Alternatively, a designated representative authorized to speak on your behalf will be greatly appreciated.

John J. Bird
